tea & slept well. Jean brought us

mail & letter from Bess. Lizzie failing but not suffering. Bess & mother taking good care of her. She heard most of my letter and told nurse "that was my dear sister on the Coast" I wanted to write but just could not so read & dozed all the morning. Ted wrote to Anne & mailed my letter to Rob. Grace in feeling quite fine. She phoned Kelly & he said let things rest a while. Rose here & got my lunch. & I had some ice-cream.
